SUMMARY

Highly skilled Software Engineer with 4 years of experience in designing, developing, and implementing web applications. Proficient in HTML, CSS, JavaScript, React, and TypeScript. Committed to continuous learning and staying updated with the latest industry trends. Passionate about creating innovative solutions that push the boundaries of technology, I strive to deliver high-quality products that exceed expectations.

SKILLS

- HTML
- CSS
- JAVA SCRIPT
- REACT.JS
- Collaboration
- NODE JS
- SQL
- UI/UX DESIGN

WORK EXPERIENCE

Tech Solutions Inc - July 2021 – Present

- Developed and Maintained Web Applications:* Led the development of several client-facing web applications using React.js, Node.js, and Express.js, resulting in a 30% increase in client satisfaction and a 20% reduction in development time.
- Database Management:* Designed and implemented scalable databases using MongoDB and PostgreSQL, improving data retrieval efficiency by 25%.
- API Development:* Created robust RESTful APIs to support mobile and web applications, ensuring seamless integration and enhancing user experience.
- Frontend Optimization:* Improved application performance by optimizing frontend code and implementing lazy loading, reducing page load times by 40%.
- Team Collaboration:* Collaborated with cross-functional remote teams including designers, product managers, and QA testers to deliver high-quality products on time.

Innovative Web Solutions

- Web Application Development:* Assisted in the development of web applications using HTML, CSS, JavaScript, and PHP, contributing to several successful product launches.
- Debugging and Testing:* Performed debugging and testing using tools like Selenium and Postman, ensuring the delivery of bug-free applications.
- Collaborative Projects:* Worked closely with senior developers and project managers to understand project requirements and deliver features that met client expectations.
- Learning and Development:* Actively participated in code reviews and training sessions to continuously improve technical skills and stay updated with the latest industry trends.

EDUCATION

HILCO UNIVERSITY

Studying Bachelor In Software Engineering • 2021–PRESENT
